BIOGRAPHY

Marine is an associate in the Moncton office of Cox & Palmer. Prior to joining the firm as an associate, Marine worked with our firm as a summer student and as a student-at-law.

Originally from Switzerland, Marine obtained her Bachelor of Law degree in Civil Law at the University of Fribourg, Switzerland, before completing her Master of Law degree with magna cum laude distinction at the same university. During her studies in Switzerland, she was chosen and participated in the Jean Pictet Competition, an International Human Rights competition in Charlottesville, USA. She was also chosen for an internship at the Chinese University of Hong Kong, in the fields of World Trade Organization Law and Policy and International Investment Law.

Marine subsequently moved to Canada and obtained a Diploma in Common Law at the Université de Moncton. During her time here, she had the opportunity to work in the Pro Bono Students Canada program in the fields of law relating to copyrights and access to information. Marine was also chosen to participate in the Ottawa-Moncton Appellate Moot Court Competition, winning both the competition and Beaulne-Sirois individual prize for best advocacy skills.

Marine was called to the New Brunswick Bar in 2018 and carries on a general litigation practice with a growing interest in insurance law, commercial litigation and administrative law.

Marine speaks in French, English and German, with a good understanding of Spanish and Italian. In her spare time, she loves to travel and spend time with her family and her French bulldogs.
